Author's Notes:
Inspired by RP chat between Greg and Lars, but Dulli's partner is left unnamed in this.

He thought he could guard himself and I wouldn't notice, but I recognized it immediately. Picked up on that scent like a bloodhound. A little flinch I'm sure he hoped I wouldn't see in the dim light.

"Guilt and shame, huh?" My hand was in his hair, and I gently tilted his head up to look into his eyes. "I don't worry about that bullshit."

Fear flashed behind his wide eyes, but the bravado quickly returned. "You don't feel guilt or shame?"

This one was gonna be fun. "Sure, baby, I feel `em. I just don't fucking worry about it."
